#### Owner / Renter

This deposit is placed with the City of Jacksonville, Texas, to remain until I discontinue the use of City Water services. This obligation for service used will remain until I notify said City of Jacksonville, Texas through the water billing office to discontinue said service in my name.

I hereby agree to pay all water accounts promptly on or before the due date of each month. If not paid by close of business on due date, I understand that a late penalty applies.

I guarantee the payment of all water accounts at the above address, number and street given.

I understand that all outstanding bills will need to be paid in full, as well as an additional deposit prior to approval of a new water account. The City of Jacksonville retains the right to add to the current bill any previous outstanding balances to the current account if the amounts are not paid in full prior to a new account set up; all rules regarding due dates and disconnections will be applied to all balances, current and past due.

In most cases, new accounts will be turned on within one business day.
